## Responsibility

I have a sister now. I have to protect her.

Yeah, even without her powers, she's still tough.

But, she'll need someone to look out for her.

Again, yeah, Mom and Jonathan can help with that.

But, they can't be with her all day, so, that's where I'll step in.

I never want her to feel alone. She'll never be alone.

Mike's happy to know his girlfriend has me watching over her.

I learned from Jonathan what it's like to be a good brother.

El's my sister now. I'll do anything to protect her.

For her, me, Mom, Jonathan, our friends, for all of our sakes.

She's my responsibility.

I have a brother now. I have to protect him.

Yeah, he's been through a lot, but he's still quiet and sensitive.

All of us tell him that that's okay. It's who he is.

He's always had Jonathan and Mom to look over him.

But, we're in a different place now and I don't want anything bad to happen to him.

I don't want him to feel alone. He'll never be alone.

Mike's happy to know his best friend has me watching over him.

I hope I have what it takes to be a good sister.

Will's my brother now. I'll do anything to protect him.

For him, me, Mom, Jonathan, our friends, for all of our sakes.

He's my responsibility.
